

## CAMP POSTCARD 2016 FOOD NEEDS

All of our food at camp is donated from community partners. But even with their generosity, we still have food gaps in our list. We rely on donations from supporters like you to help us meet our goals! If you or your organization can donate any of these items, contact Sheryl Moore at 207-373-1140 for more information.

**Please help us close the gap for this year!**
