

## Happy Birthdays!

May 1 – Martha Liscomb

May 2 – Mary Pucheu

May 18 – Paul Austin

May 27 – Gladys Dickinson

## EASTER SUNDAY DINNER

A huge Thank You to Peter and his family for once again putting on a wonderful Easter dinner. And to all who helped by bringing a dish or helping with set up or clean up. What great fortune to spend time together as a community and remember the important things: good food, safe shelter, cherished memories and friendships old and new.

## THANK YOU, CLAIRE

for taking time to collect unused drugs for the Topsham Police to pick up for National Take Back Drug Day. From now on, folks can take their unused drugs directly to the police department and put them in the dropbox anytime all year long.

**Jazz with Chazz** will be rescheduled for late May or June sometime...watch for posters

## Thank you, Martha!

for getting the word out about the farmshares. Spears Farm will be in touch soon about vouchers

## MATTER OF BALANCE

We are trying to schedule *Matter of Balance* classes here again this year. Patricia Oh who taught last time is looking into coming back. We will put a signup sheet in the mailroom when we have dates and times. Anyone concerned about falls, interested in improving balance, flexibility & strength or has restricted activities because of falling concerns is encouraged to attend.

**TRANSPORTATION** Besides taxis, available to residents are Coastal Transportation, Volunteer Transportation Network & Taxi Coupon Program. Please see Patty about these alternatives for more information.

## Community Values

Our community room and its contents are a gift to all of us who share the space at Westrum. Thank you for returning borrowed dishes and silverware, so that we have enough for everyone at our next event. And thanks to all who cleanup after events, especially when it is not their mess, INCLUDING emptying the dishwasher the next morning. If we don't do it, someone else has to.
