Engraved Bricks and Tiles

Engrave a Brick

Recognize a family member or friend who is, or has served, in the military by ordering an engraved brick that will be placed in the Honor Garden at Cabin in the Woods.

Everyone deserves a “Forever Home” where they feel safe, valued and respected. Some veterans need time and a place away from busy living to reflect. Others need to include family in their lives, especially with the growing population of female veterans with children. For homeless veterans and their families, Cabin in the Woods is that place.

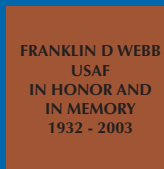

Cabin in the Woods, a supportive rural community of 21 cabins being built on the grounds of the Togus VA Medical Center, is the first project of its kind in the state, but these veterans need your help. Your donation today will give our veterans, who served so proudly and gave so much – the care that they deserve.

Share a story about the veteran you are honoring, please email us at info@voanne.org and your story will be posted on the Cabin in the Woods website and social media pages. You can view current stories at www.voanne.org/veterans-stories.
